

Lecture Meeting

9th. Lecture Meeting “M&P Salon”

Date; May 31 (Fri.), 2013

Location; Waseda University, Tokyo

Title; Introduction of the advanced steel material supporting "Tokyo Sky Tree"

Affiliation; Hisaya KAMURA, Dr.Eng., (General Manager of Civil, Engineering Research Department, Steel Research Laboratory, JFE Steel, Corporation)

10th. Lecture Meeting “M&P Salon”

Date; July 26 (Fri.), 2013

Location; Tokyo Institute of Technology, Tokyo

Title; Consequences of International Standards/Japanese vs European Specialists

Affiliation; Masaru OKADO, Dr.Eng., (JFE Techno-Research Corp.)

11th. Lecture Meeting “M&P Salon”

Date; September 27 (Fri.), 2013

Location; Waseda University, Tokyo

Title; Technical Developments of Elastomer for The Automobile

Affiliation; Jirou KOGUSURI, (Senior Vice President, KINUGAWA RUBBER Industrial Comp. Ltd.)

Short Course;

Title; Let's learn once again about the Engineering Materials —Basic Lecture for Young Mechanical Engineers—

Date; October 3 (Thu.), 4(Fri.), 2013

Location; JSME Office, Tokyo

Program;

Oct., 3(Thu), 9:30~17:15

9:30–10:30/(1) Production of Raw Materials

10:40–11:50/(2) Structures of Metallic Materials

13 : 00–14 : 45/(3) Strength and Deformation of Metallic Materials

15 : 00–16:50/(4) Phase Diagrams

16 : 55–17:15/(5) Discussion

Oct., 4(Fri.), 9:30~17:15

9 : 30–10:30/(6) Diffusion and Phase Transformations

10 : 40–11:50/(7) Heat treatment of Steels

13 : 00–14:15/(8) Properties and Applications for Iron and Steel Materials

14:30–15:45/(9) Properties and Applications for Non-Ferrous Materials

16:00–17:00/(10) Plastic Working of Metallic Materials in the Factory

16 : 55–17:15/(11) Discussion and Technical Consultation
